“ *Harry came into my life when he moved into The Village of Oakland Woods, where I worked at the time. He always came into my office with a smile and never failed to ask how I was. We shared many hugs and good talks over the years. Harry was always looking out for others, and genuinly liked people. He was part of a group of men who came to our Community Center/Office to do Wii Bowling (he was a champ at this), and zuse the exercise machines. He never failed to give everyone with whom he came in contact with his wonderful smile. He will be missed by many.*
