“ I am overwhelmed with sadness to hear about the passing of my dear friend Q....I had kept calling her number and found out it wasn't on....To my surprise...she is gone but definitely not forgotten....Q was there for me when I had no one....I thought she had either moved out of state or got married.....I remember what Q wanted for me and I shall do it in memory of her beautiful Spirit....My heart is aching but I know for sure she is with the Lord....Rest in Heaven My Dear Friend!!!

You will be dearly missed my friend. I will cherish the good memories we had together in high school. We had so much fun hanging out at your house after school 😊 Everyone moved on living their lives no one thought that high school would be our last get together. Rest peacefully Quaish 🙏 Prayers for the family.

“ *Quaishilitha. My heart shattered to pieces, when I read my note from Demp that you had gone to be with God. I enjoyed all the conversations and Birthday wishes that we shared over the years. I am sorry that we never got to meet in person. You were another one of the sweetest persons that I have known. I will always love you. May you peacefully enjoy your heavenly rest, and let your light continue to shine.*
