“ *My sister transition to be with Lord just last month lived in the same neighborhood and as we were clearing out her place he offered his assistance without hesitation and also encouraged his friend to help too. We didn't have an opportunity to know him personally but I do know for sure he had a big heart that day. May his children and love one's find comfort in our Lord Jesus Christ and may you have a smile on your face with each passing moment you think of Him. May God bless you and keep you!!!*

“ *To the Davis Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
