“ My sympathy to the family. Death claims the lives of those we love. May you find comfort in Jesus words, "I am the resurrection and the life."-John 11:25

“ Just to leave a few comforting words to my family. My aunt "Baby Sis" was so special to all of us. She always gave us kind words and sweet smiles. When I was a little girl, she started calling me "her girl". Later I found out that she lovingly called all of her nieces "her girl". I appreciated knowing I was special to her and she reminded me with a sweet smile on her face and love in her heart that she and I had something extra special in common--we were both named after our grandmothers! You are dearly missed "Aunt Baby Sis"!
