“ I will never forget my Big Brother. We shared a lot of good times together growing up as kids and growing into adulthood. You shared so much wisdom with me helping to mold me into the person I am now. You protected me from those who meant me no good by kicking their behinds. You even took whippings for me when I did wrong. I will miss your whisper mumble voice and your sonic ears. You could hear everything. I remember a long time ago I used to call you the Highlander because there could only be 1., You are my one and only Reggie . Take care of Stank! I'll see you on the other side. Love Sister Girl.
