“ Nisha, for the past 30yrs you have been my friend, sister, and confidant. We've been through so much together. I know God needed an angel to join his army and that is why he called you to come home. Although you'll live on in my heart and with memories, I'm going to miss you dearly Beloved. Now you can rest. I love you always.

*Although your work on earth is done. Your life in heaven has just begun. Your struggle here were hard and long. But they're over now, you're finally home. Life wasn't easy, by choice or fate. A decision made, sometimes too late. A fight to the finish, always strong. Rest easy Renisha, you're finally home.*
