“ *To the Steverson Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ I last saw John at our last family reunion in Jackson before COVID. He didn't look a day over 30! He called me when Pam was moving to Dallas. He asked me to look out for her, and he wanted her to know her family here. Pam attended my church a few times, and she came over to visit with us. She's now we'll established in the metroplex and is doing well. John was just that kind of a loving father.

I'm praying for peace and understanding for the family. May God continue to be with you during this difficult time. John was a sweet cousin, and he will be missed.
