To brenda and family thank you for introducing me to such a kind and quiet spirited woman. It was my pleasure to meet her and braid her hair and putting a smile on her face when I was finished! The patient/ care you showed your mom when you/ husband accompanied her at my salon was evidence of the love and respect you had for your mom! May God's peace rest with your family!!!

Hey Family. Because that's how I was treated by the whole family. Nice when you look back and how someone cared for your soul. Jesus said by and by you'll understand it better as time goes on. May the God of mercy, consideration, of thoughtfulness, righteousness and hope continue to be in our lives. Because God is Blessing us, with love? To love? Amen and Amen. I love you. Keep the Faith that's what we had all along. Elder Bryan K McElwee and family.

Mother...

*If we had to pick one thing about you, Mom,
that makes you so special,
we don't think it would be possible.
We couldn't begin to count the number of times
you tolerated our moods,
consoled our heartbreaks and disappointments,
endured our ups and downs,
listened to words confused by tears,
and just simply understood because you loved us.*

*The years hold precious memories,
but most of all, they hold growth.
One thing becomes clear to us
with each passing day,
there's no other mother like you, and we love you so very much.*

Rest in Spirit!!!
