“ *I send my condolences to the family of Rev. Tommie Steverson. I sit here in remembering all the fun and spiritual times at New Bethel Baptist Church.*

The best memory of Rev. Tommy was when he was Pastor Amos G. Johnson, assistant for the Sunday night Lord's Supper and the prayer song "Gather Together and break bread on our knees" (lyric in song) He and Rev. Johnson would take turns explaining the meaning of the Lord Supper. That was a wonderful service and I will never forget it.

Second memory of Rev. Tommy, he drove , First Lady Marjorie Johnson, Myself and 2 or 3 other ladies in his big new comfortable van to Ann Arbor to hear Rev. Johnson preach at a church there. He was so fun and funny too. A true gentleman, I will miss him as I miss the wonderful Ms. Jewel. I knew Tommy Jr too.

To May and Rev. John and family God Bless you all.

*Cousin Jeffrey Donald
my earliest memory of Tommie was the first day I meet him, my first visit to Jackson, I was in the front yard of Tommie's parents (my aunt and uncle) and Tom walked up I assume he was coming from work and he approached me like he had known me my whole life, I'll never forget that experience and his spirit and that was more than 55 years ago
RIP*

Condolences to Cousin Tommy's children and all of his siblings and
other relatives in Michigan and Mississippi. I can recall all the fond
memories of us gathering for good old family fun and visits. Tommy
Lee was one of my favorite 1st cousins who have made the transition
to be with our Lord and Savior. There are just too many fun memories to
mention of this jovial man, especially when he came home to MS to
visit. May the Peace of God forever be with us all during this time of
bereavement. He fought a good fight, kept the faith and now his crown
in glory is waiting for him. There will be a great celebration up high with
all his family members who have gone on before him. Deborah
