“ FAITH

Faith is knowing in your heart what you can't see with your eyes.

Faith is the substance of things hoped for, believed in, and brought to God in prayer.

Faith is deep. Faith is strong. Faith is real. Faith is getting out of bed when you want to pull the covers over your head. Faith is a nudge, a whisper, a shout from the soul.

Faith is sustenance for a moment, for a day, for as long as it takes.

Faith is the answer no matter the question, problem, or situation.

Faith is what it is... Faith is everything.

Praying that your faith makes everything easier.

Though you may struggle, you are not alone. Stay strong and trust in Jesus!

Bible Verse: Hebrews 10:35, 39

Do not, therefore, abandon that confidence of yours... we are not among those who shrink back and so are lost, but among those who have faith and so are saved.

FAITH never knows where it is being led, but it loves and knows the One who is leading.

Bible Verse: Psalm 121:2

My help comes from the Lord, who made heaven and earth.
