“ *My heartfelt condolences to Richard's family and friends. I've known him since I was a little girl, as he and my Uncle were close friends and he was always smiling and cheerful! I trust that he is resting well in peace and warmly welcomed into heavens gate. May his memory stay vivid with you/us always and know that he was loved and will be surely missed on the earth side.*

“ To the family and friends of Richard "Ripp" Anderson: His passing was a shock to us all. I first met Ripp in 1970, as we pledged Kappa Alpha Psi together at Michigan State University (Delta Pi Chapter). He was always the life of any gathering we ever attended, and could be counted on for a constant barrage of laughs. I am deeply grieved by my Sands' passing, and he will be sorely missed. It is with a heavy heart that we release him to "chapter invisible," and we will live with the memories he has given to us all. I pray for God's comfort for all that loved him. May he rest in peace and power..

“ Many years have passed since I've heard my old friend's crisp diction on the phone! Even more years since I saw Richard last but I'm very sorry to learn of his passing. We shared many good times when my sister and his brother got married and we developed a friendship with memories that lasted over years. I hope Richard is at peace and I salute his time on this plane.

I offer my sincere condolences to Joe, Collins and all family and friends who mourn Richard.

“ I never would have imagined I'd be planning your home going services! Unc, you're on my mind heavy. I love you so much! I just want to thank you for always being here for me when ever I've needed you! You were more than my favorite uncle, you were my second father and I'm so hurt to know that you are no longer here with us! I just hope that I've made you proud over the years and I'll always continue to be the best I can be. Thank you for all the love and wealth of knowledge! I love you, get your rest.
