Halloween will not pass without me thinking of Shonda. I remember the day she walked in the door of Comcast...such a pretty girl (with well-polished silver jewelry) full of hard work ethics and willing to learn. Shonda is a true reflection of human potential full throttle. I have been affected by Shonda and will always be captivated by her unselfish ways, and beautiful outlook to life. Shonda will be missed but not forgotten.

*My thoughts and prayers are with you and your family. It was a joy to work with Shonda. I will never forget the warmth of her smile and the way she lit up a room when she walked into it. I was lucky to have worked with her many years and watch her succeed in every aspect of her career. She was a true leader in every sense of the word, it was hard for anyone to fail under her leadership! Wishing you peace to bring you comfort, courage to face the days ahead and loving memories to forever hold in your heart.*
