“ *Our deepest condolences and sincere sympathy to The Gray and Nash Family.
This still doesn't seem real. I hope I wake up from this bad dream. But God knew best and he doesn't make any mistakes. I just can't believe it. My heart is heavy and broken. We all had so many good times together. I remember you saying to me that , your kids was your life, and how happy you were when you found out you were going to be a father to two beautiful children. Just know that me and Eric will continue to be here for Peet, Satiste and Batiste. Rest Easy cuz aka "Pugga". You will be missed so much and dearly....😭😭😭
