“ Dear family, our hearts are heavy at this time
with you all. We're praying for comfort, strength,
and peace, to help ease your pains right now.
Just lean on Him, and continue trusting in Him,
with all thine heart, and He'll take care of you.
Out of sight, is not out of mind. We love you
dear family, sincerely.

The Queen Esther Steverson, Rufus Beasley, Doris Bates Families,
extend our heartfelt condolences to you all during this very different
time. Although we all know He makes no mistakes, it's still hard to
understand the why, when we have to let go of a dear loved one. We
can't say we know your pain, but will say we love you and are praying
for you, and with you. You all have our deepest condolences, and our
sincerest sympathy.
