“ Words are never adequate in moments like these. We will say though, that our hearts go out to you, and we will always remember the joyous memories that we are privileged to have in knowing your lovely son. I remember him from school and he always had a smile. My heart hurts to hear this sad news, but you will be in my thoughts and prayers. With much love, Mrs. Jocelin Cardenas (previous secretary for Owen Kennedy)

“ *My Special Little Angel Mema Loves You and Misses You. My life will never be the same without you by my side I will always wait for the door to open and you to call MEEMAAA!!! Or the phone to ring and you on the other end saying HI MEMA. Papa also mtsses you and Loves You. He waits for you to seek up behind him and hit him on the back and run laughing. We really miss your laugh and watching Fireman Sam. Baby you had such a fight all your life so now you can play with all the Angels and not sit back and watch anymore. I know I will see you someday and I will never forget you. Love Mema and Papa.*
