“ I never would have saw this day coming...I still can't believe you're gone. Every time I think of you, I tell my self that you're on some fabulous vacation and I'll see you soon...just to keep from crying. You were and still are very dear to my heart uncle; I never told you this but I truly admired you. Your presence birthed a sense of peace, your voice encompassed a sense of comfort and your creatively and motivation nurtured a special kind of strength. I appreciate your quality time spent with my children, especially Paris who undoubtedly looked up to you; you were a blessing in disguise! I love you uncle Rod...watch over me and my family as you enjoy eternal life.

“ I worked days and Roger worked nights...everyday we would greet one another in passing and spend a few moments talking. Roger showed me pictures of the mini-homes he had built and told me of his plans for future ones. They were beautiful and beyond belief at the detail and care he put into them. I always looked forward to seeing Roger each day and I truly feel that a part of my day is missing when I do not see him. Every day I will think of him at 4:00pm when I should be saying "Hi" to him. I look forward to the day when, in heaven, I will see my friend and say "Hey Rog, how ya doing." Truly a great man and I am blessed to have known him and called him my friend. "Well done thou good and faithful servant...enter ye in."

“ Uncle Roger,

*Heartache Overwhelming
Emotions Distraught
trying to piece together
this tragedy you fought*

*Youth is so pure
her innocence unbroken
words we all want to
will never be spoken*

*Not to see you is horrid
not to talk is a shame
but to lose you forever
we'll never be the same...*

*We can't give anything else
after love and material things
God lifted you to heaven
and gave you, our angel... his wings.*

I Love You, Uncle Roger....

Corey.

*Thou with Christ And Christ with me
And so together Still are we.*

“ I am sorry to hear of your loss. May you find comfort with other family members and friends at this difficult time. The Bible gives hope that soon our Creator Jehovah God will end all suffering, pain, and death. And we have the hope of being reunited with our loved ones that have passed away. Rev 21:4, John 5:28-29. There will be many of those asleep in the ground of dust who will wake up to indefinitely everlasting life.
