This is Terrance Thomas.

It took me a long time to have the guts to watch this because I have known right since 1984 and he was a good friend of mine and we lived in the same neighborhood on the east side of Pontiac and we both had a lot in common.

The last time I physically talked to Rod was at a birthday party at Steve's (STP) house and afterwards a few times when they were all having to get together there and also through texts when was when he was trying to console and encourage me when I was having a difficult time in my life.💖

We were both the builders and electricians of the crew or circle of Friends that hung together for many decades. I send my deepest condolences, prayers and love to the family and Friends of Rod and he truly was a good friend that I will miss.

R.I.P. Rod 🌟🙏🕊️

Your friend and brother Terry T. 🌟💖🙏🕊️

“ To the Wiley Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is death the end of it all? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
