“ *In 1976, I joined the Skateland North family as a DJ and one of the first people I was introduced to was Romain, "The Cornbread Kid". He was the Head Floorguard, and he was a BAD Boy on those skates!*

We had a great crew, truly like a Family. There was Yogi and Myrt, Keith "Motor Mouse", Tim "Prince" Patrick, Reggie Ledsinger and a few other friends I can't recall right now. We were in our 20s, young and having fun that we thought would never end. We had Skating parties, Bowling nights and trips to White Castle after work, always laughing and enjoying the moment. When I left to go back to school I missed my Skateland family and the two people I would always run into over the years were Yogi and Cornbread. I saw him not long before he left us, it was always just like we walked into Skateland again and we would laugh and smile, then say " I'll see you next time".

*I saw the notice here just one day after his service but I think of Romain every time I pass by Dixieland or Skateland so I wanted to say again, Old Friend -
I'll see you next time...*
