“ *A longtime friend of mine who I especially got to know even better over the last 4 year's when we played some beautiful music together.I enjoyed that very much.We were supposed to get together this past summer for a tribute to the Soulful Determinations band and other musicians that he wanted to honor.I was looking forward to it this year.He was a great friend and great person.And one the finest musicians in Pontiac and beyond and I wish I would have had more chances to play with him.My deepest condolences go out to Linda and the Gentry family.Rest in peace my friend. God Bless You*
