“ Moma I can't deal!!! This is so hard, I question myself everyday. I can't live without you. I have so much anger built up inside of me, when you and June left me I have no patient for nobody!!!! You two were the only one's that I can vent to and would make y'all baby happy again! My heart is so broken. I miss y'all so much, I keep telling myself I can do this and keep moving on but, I keep having these road blocks. I know y'all raised me better than that and lam going to make you 2 proud of me. Just keep watching over me. love you too with all of my heart.
