“ *Family my thoughts and prayers are with you all. So sorry we can't be there but do know that some of us were coming. I will always remember the joy and love Roy had for his family here in Baton Rouge. I will always remember the minute we hit Pontiac it wouldn't be long before he's walking through the door with that big smile and strong hug saying there's my BR people. The fun begins. I will miss him dearly thank God I got a chance to talk to him about 2 weeks before he passed away. His memories will live on. Love you family!*
