Rest In Peace Uncle Sam. Remembering all the good times watching you dad, Uncle Chris, and Uncle Man play in those Gus Mackers. It pushed me to playing ball. You were an amazing uncle to me. You were one of you those people who had that ability to make thing comfortable. We would go some time not talking and then when we got together it was like I saw you the day before. You will be missed by so many people. Love you. Dawon

*Hey brotha Sam,
I know it's been a while since you last seen me, but it wouldn't be right if i didn't share just a small portion of how you impacted my life growing up. You were amazing, you were like another father whenever my dad couldn't be present at my games, picking me up from school, watching me at practice. Enrolling Katea' and I in the Gus smacker games, taking us to the state fair every year. The many things you did were a reflection of how great of a man you were. Thank you for giving me my Bestfriend since 5 (Katea') I got her from here and thank you for simply being you all these years. Job well done, may heaven continue to smile upon you as they welcome you home.*

*Mr. Carter,
I'll never forget when i ran into you at the corner store and i was just so focused on trying to get in and get out the store. A guy that looked to be the same age as you or my father tried hitting on me and you came out of no where and told the man to leave me alone and that I was one of your daughter's friends. You stood there until i finished paying for my items, asked me how i was doing, and made sure I got to my car safely. I was so grateful for you that day. It's heart breaking to know that you are no longer here and that one of my closet friends have lost her father who I know she loves dearly. I pray that you rest peacefully and for a peace of mind for all those you love.*

I have known Sam since I was 12 years old from his sister Glenda and I were and still are best friends until this day... Sam was always nice to me and treated me like I was his little sister too... Whenever I would see him he was always smiling and happy... As long as I can remember he was always the Lakers biggest fan... Rest In Heaven Sam. You will be truly missed... To the Jackson and Carter Families I send condolences...

Sam and I got close in 1988. We were in Chicago for the funeral of uncle Selmans wife aunt Corine. We hit it off and have stayed in touch every since. Sam has a beautiful spirit and a heart of Gold, always willing to help make situations better. I will really miss him and surely cherish memories of good times we shared. I can hear his voice in my mind right now saying “What’s up Homes”. We are with you in the spirit of Love, I know the Spirit of Love never dies it Stays with us long after the Body wears out. “ *Brother*

You gave no one a last Farewell, Nor ever said good-bye. You were gone before we knew it, and only God knows why. A million times we will cry. If love alone could have saved you, You never would have died. In life we loved you dearly. In death we love you still. In our hearts you hold a place no one else can fill. It broke our hearts to lose you, but you didn't go alone, for part of us went with you the day God took you home. We will meet again someday I know in a better place. I thank God he made you our brother. While you were here on earth.

“ My jazz buddy is in heaven now. I could always count on Sam to give me the update on the upcoming shows. If there is a one word definition in the dictionary for happily married family man, Sams picture would be underneath. All he talked was sports and family, not necessarily in that order. I'm gonna miss you my friend. I'm gonna miss that breakfast that you, me and Nate, never got to have. When a light shines at Pontiac Metal Fab, I will think of that hearty laugh that I will only hear in my heart. Sit back, and mellow out with the angels, my friend. God wanted you beside him, for the next show.

No One can tell you now that you will get pass this difficult time, but with your faith in God, you will. Sam was a character, he could make a cool comment that would go right over your head, and then you would think about it later and say... oh! that's what he meant.
He was a wonderful and respectful son in law. He never met a stranger. If there was a category for men, he would have been Mr. Congeniality
