You were such a great kid. I admired the relationship you had with Grandma. I'll never forget the lesson we had on various Cultures when groups of students got to choose an Ethnic dish of choice. Your group chose a Chinese Lunch. We ordered it in, and to my surprise, your Mommy showed up with a real plate and fork just for you. I looked at you, Sam, and asked, "What?" You responded, "Mrs. Boykins, I love Chinese food. I cannot enjoy it with a paper plate and a plastic fork!" I vividly recall that scene right now! Washington Middle School, Second Floor, Room 200. That was my Sam. So real, so human, and so sweet!

“ *Crystal, I am definitely praying for you and the family. My mind goes back to the days when we shared so many things. Family gatherings at Aunt Darlene's house. Even though I am not around much these days I still love you all. Sam was a special person and always giving a kind word and a word of advise. Sam was a trooper. Earth has no sorrow that heaven cannot heal. Know that I am praying for you. Be strong and of a good courage, the Lord will strengthen you heart. If you need me call me.*

“ *My prayers go out to the family for the loss of Sam. May God have your family in his arms as you go through this difficult time. Sam was a great person that put others before himself. I met Sam while I was in High School through my sister and we became friends. He was there when I needed someone to listen or advice. Sam changed my life for the better. He helped me to realize the choices I was making were not wise and supported me joining the Marines and other decisions I made. He was a strong individual and is going to be missed. May he Rest In Peace and return home to our heavenly father.*
