“ *I love you my beautiful cousin. I'm so thankful to God for our connection on the Lucas family page and the time we spent together. Although it was brief here on earth, I pray we will walk the streets of Heaven together and spend eternity getting to know each other better. You left an impression on my heart that I will forever cherish. My deepest sympathy to your children, grandchildren, brothers and sisters, notices and nephews. May God comfort you all in this time of grief. Peace be with you*
