“ I'm so sorry to hear about Sandra. She was one of my closest friends when I moved to Ohio. I was so shy and Sandra took me under her wing. I used to go with her and work at concerts at Polaris in the restaurant there. She was with me when I went to the Longaberger factory for the 1st time. She gave my daughter Hannah a Longerberger Easter basket when she was born--nearly 11 years ago..it's one of our favorite things to pull out at Easter. My husband Brian was an extremely brittle diabetic and she was always reminding him to take care of himself. I'm glad that Sandra was there to greet him in heaven....Brian passed away on 2/3..he had low blood sugar when he was driving.

Please call me if you'd like to talk...I'm so sorry for your loss. Sandra was so young!
