“ *I am heartbroken to hear of Mrs. Matinez's passing. She was a true giving soul, so very rare. I worked with her for 9 years at PAE and I learned so much from her. She was always there to support the staff and students in every way! And for all the love she gave to those of us at PAE, I know she had ten times that love for her children, they were her world. I'm so sorry for your loss, she was an incredible woman. ❤️*
