“ *To Dot, Madea and the rest of the family. You have my deepest,deepest sympathy. Dot I can not say I know how or what you are feelling, but I can say I am here in South Carolina sharing your pain.La La was like mine when she was a little one and I loved her then and I will continue to love her memory. Just know that she has gone on to a better place and the troubles of the world are all over for her. Take comfort in knowing that God knew and knows best. And he will be there to strengthen you through this your hardest and darkest hours and days to come. Remember that I love you and I will be praying for you and your families strength.
