“ Shanae had that "Divine Vibration" when i met her at the age of 2 she starting walking and while over at "The Reids" (that's how We say it in the Knolls!) one Halloween night and her Uncle Ronnie was heading out with the ones he was taking out and it appeared that Shanae was not going for some reason, but during all this time she had her eyes fixed on me with a gentle smile and going out the door i looked back at her and asked "do you want to go?" She nodded her head yes ( i had picked-up on her vibration & her mine!) then i picked her up in her out reaching arms and put her on my shoulders for her 1st -halloween ..... making both our days! My condolence to the family. Tony Henderson- Bey

“ I am writing to send my love to Nevaeh and Myles. I am so sad about about the loss of your beautiful, sweet and truly fantastic Mom. She loved you both so much. I knew this from the first time I really met her and got to talk with her. Your Mom was smart, and involved, and always so kind - this was her blessing to all of us, her love and kindness.

This is so, so hard - but your Mom was strong, and so resilient. You both are her beautiful gifts to the future, and your education was so important to her. Whatever you need from me or the teachers in these next difficult weeks, we will help you. This week will be hard - take care of each other, and yourselves. Focus on all the love that your Mom had for you, there was so much...she would want it to carry you through all of the tough times, but also the better ones, too. And your Academy family is with you. I will reach out again soon...but know how much you are both loved. You are in my prayers. I'm here for you, Ms. Nathan.
