“ In 2006 Sis. Sharon, as we called her in the OES, wondered why she hadn't seen me at a few of our meetings so she told Sis. Nichols, "I'm goin to find her. Something is not right". At the time, I had open heart surgery and was in the hospital. She didn't know that. First she called the jails because, knowing me, she thought somebody had really gotten on my nerves and I had gotten into some trouble. But I wasn't in any of the jails. So then she started calling the hospitals and she found me at Beaumont Hospital. When I heard her voice on the phone I was pleasantly surprised. I said, "Now this is too much. It took a blind woman to find me." She said, "Yes I was determined to find you. It wasn't like you not to be at the meetings and no one knew where you were". That made my day. She was a blessing to everyone she met.

“ *Our heartfelt prayers and sincerest condolences are extended to the family of Apostle Sharon Shannon. May the comfort and peace of the Holy Spirit embrace and strengthen you during this season of mourning and yet rejoicing! Apostle Sharon Shannon is one of the greatest servants of God to walk the earth. While your mother, grandmother, sister, and aunt, may not have gained worldwide recognition, she is known by God, the heavenly host, and that great cloud of witnesses in the heavens, for she truly fulfilled the great commission of Christ (Matthew 25:34-40; Mark 16:15-18). Another general has returned to her Father and her God. My dear friend and sister-in-Christ demonstrated her love for Christ Jesus through the service that she rendered to others We know without any doubt, that she is doing what she loved to do, for she was and is a ‘PRAISER’. Know that the angels and all the saints are giving her space to get her praise on! The sons of God will miss her spirit, her love, and her life! I can hear her shouting before the throne, “Thank ya!”*

*All our love,

“ I wish miss Ms. Shannon. She was so funny with her laughter. I used to fill out her prize tickets for her at the Bowen Center..and sometimes she would win. I enjoyed doing the little things for her, like telling the man who drove the bus was looking for her. She was a wonderful and cheerful person. My condolences to her family and God bless you all.
