“ *As I sit here at work I realize I will never see or hear your voice again, Sheila, at least not in this world. You always had a smile on your face, and you always asked about how my family was doing. I will miss you always. One of the nicest people I have known in my life. Keep laughing in heaven, sweet lady. Until we meet again. Your co-worker and friend, Anna*

I too worked with Mrs Shockley for 25 years. During this time not only being co workers we became great friends. I got to know her family and on many occasions was invited to open house and graduation parties. Actually I would just drop by chat. Sheila and Calvin became like my other family. She always fixed my side dishes on Holidays as she can throw down as people say. I say all this with a heavy heart. I miss you my friend but will never forget. God wrapped his loving arms around this beautiful person and watch after her and her family. Your dear friend Rhonda Spears
