“ *To all the friends and family of Shirley, I am so sorry for your loss. May the beautiful memories you shared be a source of comfort during this difficult time. The Bible can also be a source of comfort. Philippians 4:13 "For all things I have the strength through the one who gives me power." God can give us the strength to cope even with death.*

“ Sister Shirley was a beautiful soul! She would come to Berea to play the keyboard and sing for our Ole Time Gospel Concert. I also remember singing at the nursing home with her and the late Elder Lorenzo Fowlkes. She will be missed by the body of Christ at large!

“ I adored Shirley. I grew up on Wall Street in Pontiac along with her family and many other wonderful families, We were a close knit bunch. She was very instrumental in my life. After my mother died, she would come over in the mornings and make sure I was up, had breakfast and was ready for school, before she headed for school. I was in the 4th grade, she was in high school and my dad had to be at work at 6am. Sometimes I went to church with her & the family at Johnson Temple, especially during the summer for the Midnight Musicals. As life has it, we all grew up and went our separate ways. And although we lost communication with each other, I never forget her. Her kind and sweet ways, her God-given gift as a musician, her beautiful spirit. To her family, I know she will be greatly missed but know that she left this life as a child and servant of God's and her battle here is over. May God bless and keep each of you.
