“ *I heard June was in the hospital then I heard she had died but I find it so hard to accept because she was so full of life. She always had something to say and it was always pleasant. She was so proud of her children. I will miss June. My deepest sympathy to the family and her friends. I guess they needed a good barber in heaven.*

“ *Losing someone that was truly loved is difficult. The Bible comforts us at Ecclesiastes 3:11. "Everything he has made pretty in its time. Even to time indefinite he has put in their hearts."*

“ There are people whose goodness and compassion are like sunlight streaming through an open window. They carry with them the promise of heaven that shines through their gentle love on earth. A Woman not afraid to make her presence felt, a strong Woman with a gentle hug, a busy Woman with a friendly, helpful spirit, a serious Woman with a smile that brings sunshine to the rainiest day, a remarkable Woman, beautiful Mother. I'm going to miss my traveling friend. Love to the family. Rita
