“ *To Konyea, The trials and tribulations in life can be over bearing. But know that your mother loved you unconditionally. She was so amazing and beautiful, she has lit heaven up. With her smile and loving heart. God welcomed her with open arms & told her you are now with the father. All your worries are over. Im going to take care of you. Konyea have no fear, no heart and no pain. Because your mother will be your guardian angel. When you go to do things that's not approved by her, look to the sky and she is going to say Konyea that's REDICULOUS!!!! God bless you. And Much Love!!!!*
