“ *Aunt Stella, many fond memories, your home was the home that everyone loved to visit. You were the baby girl and sister to my grandma Jeanette. My heart mourns, because you are gone, but I am assured that the homecoming that you are experiencing is one that ONLY heaven can write. While your body is at rest, you can now fly with the elders, watch over us, and enjoy the reunion of the ancestors. Fly on Aunt Stella, we will see you in the morning.*
