“ *He was fondly known as “Uncle Steve” to me, but he felt much more like my grandpa and he always treated me like his granddaughter. We didn’t share many moments as I aged but I will never forget the impact Uncle Steve had on me during my childhood. One of the best humans with the biggest heart and so much love to give and when you were around him you felt it. Oh and we never missed a meal around Uncle Steve! If you know, you know! Lol*

Rest easy. We love you. ❤️
