*While at work on 3-13-25 my co-worker said LaVonna your phone keep ringing at 4am. Only to answer it with such heartbreaking news. Stevie I would have never thought you would leave us so soon. You was not just a brother to us but more like a father to us all. Your smile and the love you had for family and friends will be forever cherish. Tears flow down my face as I ride pass your house not seeing you looking out that window anymore. God said your work here on earth is done now come get your rest. Big brother Stevie I love you so much. I will see you in heaven where we will rejoice and praise God together.*
