“ *Very rarely do I absolutely yearn to have known someone who has passed on, but Susan is one of those people. We met at GM and we spent many hours talking in our unconventional ways about God, the universe, life, and other fascinating things. Susan was one of a kind when it came to speaking up in any given situation at the workplace, she was very outspoken, and had a great sense of humor. Some of her best qualities; loving, caring, silly, compassionate, playful, generous...along with having one of the biggest hearts I have ever known. Didn't see much of her over the years, but I never forgot her kindred spirits, my deepest sympathies goes out to the Burrows family. I am thankful to have had the opportunity to know Susan.
