“ I met Tashek when I was very sick. He was very sick as well. We were great friends to one another. He was really quiet...didn't stand up for himself like I had hoped. He bugged me like a brother. We would laugh and cry at stuff. Never asking why this that and the other wasn't happening. I loved him for who he is. Love is a powerful emotion that cannot be tamed. The heart mind and soul remembers what is true. I thought Shiek was teaching me when all the while we were learning from each other. He will always be my friend. I will never his soft voice. When he would talk...I enjoyed his calmness. Thank You Tashek. I will see you again. Hug hug kiss kiss.
