“ My family and I would like to give you and your family our deepest sympathy for the lost of your love one. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. I found words of encouragement from God's word the Bible. The Bible speaks of death being an enemy that God never intended mankind to experience. In Isaiah 25:8, God promises that in the future he will actually swallow up death forever. You can put all your trust in God's promises. You and your family are in my prayers.
