“ Terry, I can't believe you are gone. Since I moved to Georgia, we didn't see each other as often. Duckie was my ace and we shared over 30 years of friendship. I am truly going to miss you. I am so glad we had a chance to get together a few months back. When my brother gave me the news, I nearly passed out. I love you and although you are gone, I will never forget the great friendship we shared. With this note I send peace and blessings to Crystal, Roy and the entire family.

Until I see you again, rest easy my lil lister.

Love always,
