“ My deepest condolences and sincere sympathy to the Hardy Family on the loss of your Beloved One. Mr. Hardy use too be one of my favorite patients for many years, he was always kind, polite, nice and very respectful, he always would bring the staff Avon donuts and me a box chocolate candy, one thing I can definitely say is that Tony was always, grateful and kept a smile on his face even when he was having a bad day. I'm going to miss you so dearly, my friend.....REST EASY KING , YOUR JOB HERE IS DONE

“ I remember when Tony use to take my cousin Tony places, he always came and got me. Some times he would show up without calling and asked if I wanted to go. We did so much together, bowling, monster trucks, motocross, fishing and boxing. I love him and he will be missed, along with his good heart
