“ I hate to hear of the lost of such wonderful mother and grandmother with so much life ahead of her. May the family find some sense of comfort knowing that God is not responsible for the hurt that we feel when we lose someone in death. He is hurting too, and promises to restore life to those in his memory. (John5:28,29) May you be there to welcome her back from this deep sleep in a beautiful paradise earth that God has promised.
