“ I remember you as a youngster, wearing your red and black tennis shoes (I forget what brand), t-shirt, shorts, and a cap, with your hair braided into two braids! I always liked that tomboy side of you, touching my heart whenever I saw you, which I will never forget! Didn't get a chance to speak to you at Mark's funeral: I told myself "I'll see her again, then we'll catch up!" Had I foresaw that was going to be my last opportunity, I would have made every effort possible to speak to you that day! Once again I feel like I've been robbed! Rest well, my friend! 🥹
