“ *Today because of sickness, old age, or unforeseen occurrence we lose our loved ones. And because of that some ask is this all there is to life, to grow old, get sick and die? Is that what our creator wanted for us. The bible gives satisfying answers to these questions. A god of love does not use death to separate families. The Scriptures plainly shows that death is our "ENEMY" that will be destroyed by God (read 1corinthians 15:26). Also the bible gives much hope for our dead loved ones. (John 5:28&29) during this difficult time, gods words the bible can be a great comfort for you and your family. You can read these important scriptures and more at www.jw.org.*
