“ Valerie was a special person and she will be missed by so many. My love & condolences to the family. I did not know that my favorite singer, Smokey Robinson, was also hers. I will never hear another song by Smokey without thinking of her. God Bless.

“ *Valerie always showed such bravery and determination in what she did. She never felt sorry for her lot in life and conveyed that to those around her. She was encouraging and loved her Bingo and Smokey Robinson. Her songs, whether composed or not, will be missed especially at Christmas. I hope your room that God prepared was to your liking, because you deserved the Best. Thanks for fixing the light. Will miss you a lot. Love.*
