“ *Ms.V!! My Friend, this one hit me hard. You were just giving me condolences for my granny and now I'm getting them for you!! I still haven't had a cup of coffee yet. It just wouldn't taste or be the same now that you're gone. If I'd known it was gonna be my last time seeing you I would've hugged you a little bit longer. My friend Vera went through a lot on this earth, now she's our guardian angel 🙏 She was my friend for 13 years and I enjoyed her while she was her. Now she's with her loved ones and I know that's all she wanted, was to be with them again . Fly high Ms V!! Now you my granny go find a casino till I get there! Yall hit the jackpot 🎰💜 Your Forever Friend Chianti*
