“ Words cannot express the loss felt for you, our sister, club member and friend. As a charter member of Dance Force, we will miss your humor, your candid remarks, your love of dance and even the ringtone "At Last" on your phone that would always interrupt club meetings! Your presence will forever be in our hearts and minds. We love you Greek, and we know that every now and then God will let you get your hustle and ballroom on. Until we meet again...

“ At Last..... Yes we all do remember that ringtone on her phone. As she would always say; "That's my son checking up on me." Our family just wants to say that words cannot express how we felt about "GREEK". We know that she is in a better place and that GOD makes no mistakes. No more pain, and no more sorrow. Verdigris (as my husband would say) was truly a Gem... a diamond in the ruff. But as for me, I will truly miss her, for if there was no one to take a ride with me to Detroit, or to conversate with, MY GIRL, MY HOMIE, MY "GREEK GREEK" (as I would call her when she walked into the room) will never be forgotten. We thank the family for giving us the opportunity to gain a close relationship with her. We had a bond that could never be broken. That was our sister, we loved her dearly, and believe me, the times we shared were truly unforgettable. There was never a dull moment, and always full of laughs, dances, and great memories. So until we see you on the other side of the rainbow, continue to make the sun shine, and we will meet up again!
