“ *Mert, Julie, and Jamar may God Bless you and Keep you all. Trust in the Lord with all your heart, and lean not to your own understanding. Look to the hills from which cometh your Help. Your Help comes from the Lord. He can and will see you all through this very difficult time.*

“ *"Vernita's day" was the day God saw fit for her to be born. He created her in His own image and had a definite plan and purpose for her life. She is gone, but will never be forgotten. Remember her with smiles - and even tears, but never with grief because grief says "there's no hope," and we know that there is hope in Jesus.*

Be encouraged in the Lord; that is where you will draw the strength you need to get through this.

*God bless,

“ *God looked around His garden
and found an empty place,
He then looked down upon the earth
and saw your weary face.
He put His arms around you
and lifted you to rest.
He saw the road was getting rough,
and the hills were hard to climb,
So He closed your weary eyelids
and whispered, "Peace Be Thine."*

I love you.
