“ Today, we remember Violet Jones, a beloved mother, friend, and woman of remarkable grace, who left us at such a young age. Violet's warmth and kindness touched everyone who had the privilege to know her. Her radiant smile and gentle strength inspired those around her, and her unwavering support uplifted her family through every season of life. Whether she was sharing stories, offering sage advice, or simply listening with an open heart, Violet had a special way of making others feel cherished. Her legacy of love, compassion, and resilience will live on in the hearts of her children and all who were fortunate enough to call her a friend. Though she is deeply missed, the memories and lessons she gifted us will endure, shining brightly for years to come.
