“ To the Corley Family,

*Our thoughts and prayers are with you all during your time of bereavement. I went to the same schools as Walter aka "Head." This brother was a character. But, he was cool and friendly. Sometimes he could be mischief and give you a hard time. It was just his character. God knows me and my husband will miss seeing him. He would always say to my husband, Rev. I'm going to come hear you preach. Well, Head - it will be on the other side. You take your rest until we meet again. God Bless!!!*
